**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the commerce of communication small companies are especially important. Please maintain the structure and access that support them.

Consumers value and are grateful for choices, whether or not we are knowledgeable about technology, and of course we oppose changes that would increase the cost of internet and phone service.

Thanks for your consideration.
